To the Nobility of Medinah Temple

My Dear Nobles:

Time, that great factor in our lives, and which is ever moving us onward and onward, decrees that another year is swiftly coming to a close and while it has been a year filled with great activity and responsibility, it likewise has been a year of great pleasure to me to serve you. No Potentate could have received a more genuinely wholehearted co-operation from the officers, every member of our organizations and the nobility of our temple than has been accorded me. This wonderful spirit, transforming duty into joy and elevating service into rites, is just that which has made Medinah the great Temple she is today and full credit for any success that may have come to me during my year as Potentate must be given to every member of Medinah's Organizations and the nobility of the Temple who play a very important part in Medinah's welfare, and it is with that same feeling of deep spirit that I extend to each and every one who has so loyally given of their time, their energy and resources to the glory of Medinah, my deep and everlasting heartfelt thanks.

That long sought opportunity is now ours to extend a hearty welcome to our Imperial Potentate, Illustrious Noble Frank C. Jones, and I know you will join in this great event in suitable manner befitting our great Temple and do full honor to our distinguished guest.

We will also have with us on this auspicious occasion, the Illinois Masonic Orphans' Home Brass Band from La Grange, Illinois, under the direction of Noble Paul Donnelly, Director of Medinah's Brass Band. Noble Donnelly is deserving of great credit for the splendid training each member of this wonderful band has received at his hands.

Medinah's Oriental Band and Medinah's Chanters will entertain the nobility of our Temple, their families and friends on Sunday afternoon, November 18th. These organizations are too favorably known to every member of

our temple for me to attempt to describe the great pleasure that will be ours on this occasion and we trust that you will make a special effort to be with us.

Being desirous that the ladies; who have sacrificed many evenings, that their husbands and loved ones may participate in the activities of Medinah's Organizations; see a portion of the spectacular work done at the Temple your Potentate and Officers have arranged for a Pageant of the Orient with dancing to follow in the Banquet Hall on the evenings of Wednesday, December 5th and Thursday, December 6th. See detailed information on page 10.

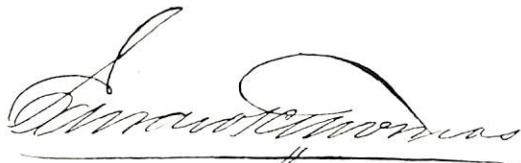

On Sunday afternoon, January 6th, our nobility, their family and friends will be entertained by the Chicago Business Men's Orchestra, under the direction of Clarence Evans. This orchestra is well known throughout this vicinity and we may all look forward to this occasion with deep pleasure.

Another great pleasure that will be in store for us will be a concert to be given in our Temple on Sunday afternoon, January 20th, by the Swift & Company Male Chorus under the direction of D. A. Clippinger, with Mr. Gilbert Ford, Tenor. I trust you will all avail yourselves of this rare opportunity and enjoy the afternoon with us.

Your Potentate and officers trust you will make every effort to secure the application from that "prospective" candidate you have had in mind for some time so that Medinah will have a large class to greet our Imperial Potentate.

Again may I direct your attention to your promised visit to our Crippled Children's Hospital and witness the wonderful work that has been made possible through your hearty co-operation. We know you will be filled with joy when you see the deformed little bodies being reconstructed into normal boys and girls. Please do not unduly delay your visit; arrange to go at your first opportunity and thus fulfill your obligation and a duty you owe yourself.

Sincerely yours in the Faith,

Potentate

MEDINAH Athletic Club

ON MICHIGAN AVENUE
AT ILLINOIS STREET
CHICAGO, ILLINOIS

Medinah Athletic Club

This Club, which is located on Michigan Avenue at Illinois Street, is now nearing completion and, no doubt, will prove to be a big factor in the life of Nobles belonging to it. Chicago, with the greatest Shrine in the world, also has the finest and largest Shriners' Golf Club anywhere in the Country, and now with the splendid new Medinah Athletic Club, it becomes quite apparent that she will be the center of Shriner Activities on this continent.

Even at this early date, it is interesting to note that the entire thirty-first floor has been rented, and in addition thereto, fifty-eight rooms have been reserved for permanent occupancy, by members who want to utilize the Club as a downtown home, and when we tell you that in addition to the regular Club facilities there are 442 sleeping rooms in this luxurious Club, single, double, communicating and in suite, each with private bath, and circulating ice water, all of which, of course, will not be used by resident guests, inasmuch as many of these rooms will be used by visiting Nobles and non-resident members of the Club on a similar basis as a hotel, it is quite obvious that this is going to be an ideal Club Home for the Shriners of Chicago, their families and guests.

Thomas J. Houston, President of the Medinah Athletic Club, has extended to the Nobles of Medinah Temple, through your Potentate, an invitation for them and their wives and friends, to visit the Club building on any Saturday afternoon between now and the first of the year and go through it from the top to the bottom and see for themselves this splendid new institution that is making Shrine history in Chicago.

It is expected that the Imperial Potentate, Frank C. Jones, will visit the Club also on Nov. 24th, the day following the November Ceremonial at Medinah Temple.
